

h.c. Zang agency inc.

Manufacturers' Representative of Electrical and Data-Comm Equipment for Industry, Commerce and Utility

Line Card

> Transmission & Distribution Equipment <

>> Transformers

Federal Pacific

Dry type transformers thru 10,000kVA at 34.5KV, general purpose, drive isolation, VPI-Epoxy, cast coil, unit substation

Howard Industries

Pole type transformers thru 833kVA at 34.5KV
1-Phase and 3-Phase padmounts thru 10,000kVA at 34.5KV
Small and medium power transformers thru 60MVA at 161KV

Niagara Transformer

Medium power transformers thru 20MVA at 69KV
Dry type transformers thru 10,000kVA at 34.5KV

Sunbelt Transformer

Padmount, Substation and Dry-Type Transformers
Specializing in reconditioned and new surplus equipment
Huge inventory with quick ship points across the U.S.

>> Switchgear

Federal Pacific / Line Power

Padmounted low profile switchgear
Metal-Enclosed Switchgear

Powercon Corp.

Metal clad switchgear thru 38KV
Metal-enclosed interrupter switchgear thru 34.5KV
Climatized POWERCONTROL Complex enclosures

Trayer Engineering

Submersible, padmersible and padmount switchgear
Padmount liquid and SF6 vacuum switchgear
Vacuum fault interrupter switchgear

> Wire & Cable Management <

>> Underfloor

Cordeck

Electrified deck systems including both the N-R-G Flor® and Walkerdeck® systems as well as the FloorPort™ activation system

Raceway Solutions

Aluminum and steel medical raceway for wall and ceiling
Conventional underfloor duct and flush activation duct
Casino underfloor duct and trench duct

>> Overhead

GS Metals / Flex-Tray

Wire-welded mesh cable tray systems
Ladder and solid bottom tray
Strut Metal framing systems

>> Perimeter & In-floor

Hubbell Delivery Systems

Metal, non-metallic and aluminum surface raceway
Steel, cast-iron and non metallic floor boxes
SystemOne® poke-through assemblies, service poles

> Metering & Control Equipment <

>> Voltage Transformers and Relays

GE Multilin

Protective relays for generation, transformer, transmission,
Bus, network, distribution, motor and custom applications
Meters, instrument transformers, terminal blocks

>> Sub-meters

National Meter

Power quality meters, demand meters, energy meters

>> Control Transformers

Micron

Control transformers, power supplies, buck-boost transformers

> Emergency & Critical Power Equipment <

>> UPS Systems, Power Distribution and Cooling

APC

Scalable UPS systems up to 80kVA, racks and enclosures, in-row cooling solutions as well as perimeter cooling products, software management solutions for data centers

MGE UPS Systems

Three-phase UPS systems, PDU's, RPDU's, static switches

MGE Office Protection Systems

Plug-in surge suppressors, 1-phase UPS systems ranging from 300VA to 20kVA, power conditioners, rack-mount PDU's

>> Generators

Guardian (by Generac)

Air cooled and liquid cooled residential generator packages ranging in size from 7KW up to 45KW, commercial grade gen-sets ranging in size from 18KW up to 150KW, 15KW and 17.5KW portable generators

Katolight

Standard product natural gas generators ranging up to 130KW
Standard product diesel generators ranging up to 400KW
Custom diesel and natural gas generators up to 2.8MW

>> Surge, Conditioning and Filtering

Current Technology

TVSS modules for service entrance, distribution, branch panels, Motor control centers, mission critical centers, PLC applications, and Fire/alarm and security

Gentec

Metal-Enclosed LV and MV capacitor banks
Reactive harmonic filters

MIRUS International

Passive Harmonic Mitigation Filters for Variable Speed Drives
Harmonic mitigating PDU's and RPDU's
Harmonic mitigating transformers

>> Transfer Switching

Boltswitch

Bolted pressure disconnect switches
Double-throw manual transfer switches

GE Zenith

Automatic transfer switches, in standard, bypass-isolation, Closed transition, delayed transition and service entrance configurations up to 4000 amps

> Electrical Enclosures <

Adalet

Stainless Steel, Aluminum and Fiberglass NEMA 4X Enclosures

DC&S Fabricating

Custom built & designed electrical enclosures

> Miscellaneous Equipment <

>> Cable

>> Terminations

>> Dead front load-break and dead-break elbows

>> Arresters

>> High voltage fuses

>> Switchgear parts

>> CPT's / PT's

>> Replacement breakers

>> Mounting hardware kits

>> Motor control buckets

>> Bus duct

>> Phase converters

>> Rectifiers

>> Rental transformers

>> Rental generators
